- **Orthopedic-Specific EHR:** Specialty-designed workflows and templates with fewer clicks.
- **Integrated Imaging:** View and annotate studies directly in the EHR — no switching screens.
- **Practice Management + RCM:** Complete scheduling, billing, and revenue tools in one place.
- **Patient Engagement:** Kiosk check-in, e-prescribing, and mobile/browser access.
- **Workflow Automation:** AI fax, auto-routing, and award-winning support.

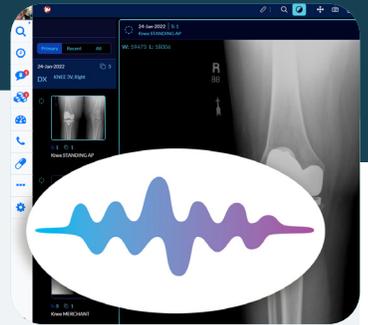

The PoGo IQ Advantage

Your EHR, Now Smarter.

PoGo IQ transforms Phoenix Go into a cognitive partner that learns, anticipates, and accelerates care.

- Create SOAP notes and treatment plans in seconds.
- Generate outcomes reports with 20+ years of orthopedic data.
- Automate MIPS reporting and compliance tasks.
- Use voice commands to open visits, insert protocols, or dictate notes.
- Boost productivity by up to 75%, even beyond orthopedics.

With **USCDI v3-compliant interoperability**, PoGo AI connects systems seamlessly — no messy interfaces.

The Phoenix Ortho Difference

Two Decades of Ortho Innovation.

Trusted by practices nationwide, Phoenix Ortho builds solutions by orthopedic experts, for orthopedic experts — designed to work the way you do.

- Purpose-built for orthopedics — not generic software.
- Cloud-based and mobile-ready.
- Secure, compliant, and scalable.
- Backed by award-winning support and training.
