

Charting a New Path in Physical Therapy Software

Now with **NEW**
Cognitive AI Assistant: **PoGo IQ**

Complete Software Suite for Rehab Therapy

Run PT Smarter.

Phoenix Go for PT is the all-in-one platform built to simplify workflows, speed documentation, and keep your day moving.

Custom workflows. Complete charting. Built-in billing. iPad or browser—work anywhere, without the noise.

Built for standalone PT or orthopedic practices—tailored to how you work.

Powered by PoGo IQ.

Chart smarter. Move faster. Let intelligent workflows reduce clicks and keep you focused.

Document **FAST**.. What you need. When you need it.

Save Time.

Everything you need. Nothing you don't..

Document Faster.

Capture complete patient encounters—without slowing down.

Access Images.

Instant access to x-rays and images during every visit.

Treat Smarter, Not Harder

Manage multiple patients at once and move between visits seamlessly—without losing control.

Where Motion Meets Management

Fewer Clicks or Taps

Phoenix Go for PT simplifies every step of your day.

Built Around You.

Tailored workflows with a dedicated success team behind you.

Keep Therapists Happy.

Unlimited support, training, and consulting—less frustration, more focus.

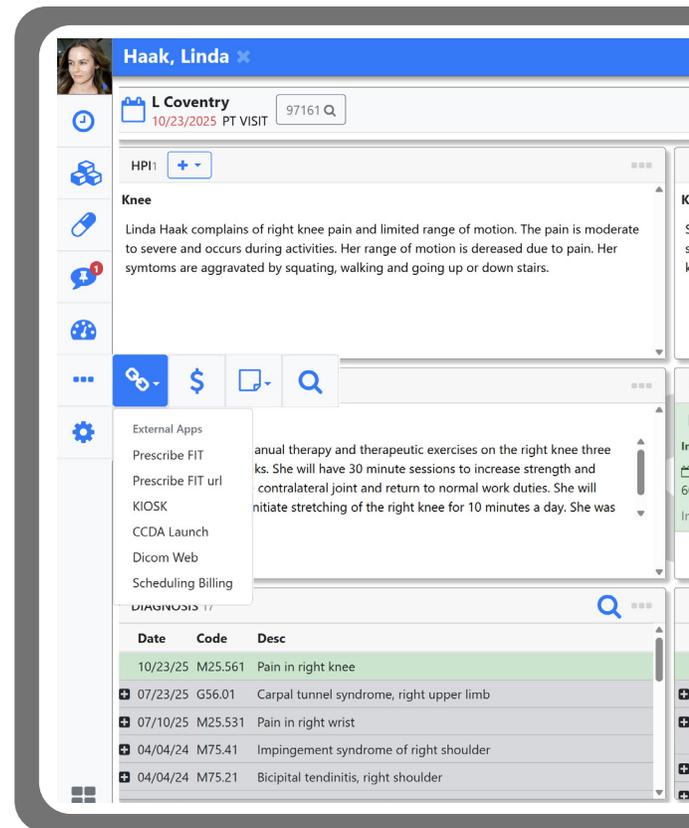

Get Paid Faster.

Eliminate bottlenecks with tools that drive your revenue cycle:

- Easy patient check-ins
- AI fax routing
- iPad + web-based workflows
- Accurate coding
- Real-time financial visibility

Go Anywhere Software that gives you maximum mobility in your patient documentation as you give your patient's maximum mobility.

Quick. Easy. Interactive. Phoenix Go for PT is built around a single interactive and customizable screen—which gives you everything you need for a patient encounter at the touch of a finger.

“With over 20 years in professional sports and physical therapy, I know what high-performance workflows look like. Phoenix Go for PT delivers exactly that—helping therapists work smarter, stay efficient, and optimize every patient interaction.”

Jose Vasquez

MLB Strength Coach of the Year

Director of PT & Sports Science Development, Phoenix Ortho

By  phoenixortho

Effortlessly Manage Day Sheets, Billable Modalities, Submit Charges, Manage Multiple Diagnoses, and Generate Your Therapy Notes in less than 2 minutes. That's quicker than some patients can do 10 to 20 chin tucks!

[Contact Phoenix Ortho](#) to schedule a demo now and let us show you all of the time-saving benefits waiting for you with Phoenix Go for PT.
